

**Attleboro GWOT Monument Committee  
P.O. Box 11  
Attleboro, MA 02703**

The Attleboro Global War on Terrorism (GWOT) Committee needs your help to raise funds for the design, creation, and placement of a GWOT monument on the Attleboro Common alongside our other war monuments. This monument will honor the men and women who courageously answered the call of duty to serve in the Global War on Terrorism (conflicts in Afghanistan, Iraq, Pakistan, and many other parts of the world) after the terrorist attacks on September 11, 2001.

**We need your help to reach our pledge goal of \$100,000 by March 2025. The monument will be 100% funded through private donations.** Our projected timeline to dedicate the GWOT monument is September 2025.

The GWOT monument will be a lasting tribute to the courage, valor, and sacrifice of Attleboro service members who made the ultimate sacrifice, served valiantly, and those still serving in this 20+ year ongoing war.

Your donation will make this monument possible and serve as a beacon of light and hope for the service members and their families.

Please go to <https://secure.anedot.com/attleboro-gwot-committee/donate> and donate today.

Sincerely,

The Attleboro GWOT Committee Members
